Italiano (Native)

Inglés (C2)

Español (C2)

Portugues (C1)

SKILLS

Ability to write solid and reusable HTML, CSS, JS and PHP for websites and applications - Experience working with frameworks (CodeIgniter & Cordova) - Zero intimidation of new technologies and ability to self teach quickly on the fly - Ability to communicate positively and honestly - Strong work ethic and reliability

EXPERIENCE

Mobile Developer & Designer, Freelance | January 2020 - Present

Development of CanaryApp, a mobile cross platform app with Andrea Pozza. It's a tourist guide app to discover top attractions of Canary Islands. We used Cordova, PHP, JS, MySQL & Firebase. Link with full info and invitation to try it as beta tester on my portfolio.

Junior Full-Stack Developer, EsseDi IT Consulting | July 2020 - Present

Development of customer area and new features of eCommerce website using PHP, MySQL and CodeIgniter.
